# PATH OF GLORY

درب المجد

Developed by: Naelah Alshibani - Renad Aljehani - Osama Alghamdi

# PROBLEM

- **No centralized system connects athletes with coaches, sponsors, and arenas effectively.**
- **Athletes face difficulties in booking suitable arenas for practice and events.**
- **Talented athletes struggle to secure sponsorships to fund their training, travel, and participation in competitions.**
- **Saudi athletes often lack visibility, reducing their chances of gaining opportunities to compete internationally.**

# SOLUTION

- A centralized platform to connect athletes, arenas, and sponsors.
- Helps athletes book facilities, secure sponsorships, and participate in local events.
- Provides arenas and sponsors with a structured way to engage with talent.

# IMPORTANCE

- **Helps young athletes achieve international success.**
- **Encourages local sponsorship and sports investments.**
- **Develops a competitive sports ecosystem.**
- **Promotes sports culture and supports Saudi Vision 2030 by encouraging sports and youth development.**
